

CHANGES TO CARE AND HOLIDAY POLICY

Quality Area 6: Collaborative partnerships with families and communities.

Standard 6.1: Respectful supportive relationships with families are developed and maintained.

Standard 6.2: Families are supported in their parenting role and their values and beliefs about child rearing are respected.

Standard 6.3: The service collaborates with other organisations and service providers to enhance children's learning and wellbeing.

At Nurture and Nature Private Preschool we understand that personal circumstances change. Please see below our Policy relating to changes of days in care and children not attending care whilst on holidays.

1. To reduce your nominated days in care we require 14 days written notice (email and hard copy are fine).
2. To increase your days please specify your preferred days in writing, to the Director. If the space is available at the time of request the change can happen immediately.
3. For families taking holidays we require 14 days notice. The fees for your holiday period will reduce to 50% of the daily rate.
4. To withdraw your child completely from care at Nurture and Nature Private Preschool we require 14 days written notice.
